STATE BOARD OF CHIROPRACTIC EXAMINERS

IN THE MATTER OF THE LICENSE OF )	Administrative Action
JEFFREY BEHREND, D.C. )	
TO PRACTICE CHIROPRACTIC )	
IN THE STATE OF NEW JERSEY )	<b>ORDER GRANTING</b>
	<b>UNRESTRICTED LICENSURE</b>

This matter was presented to the State Board of Chiropractic Examiners on petition by Dr. Behrend, seeking to demonstrate that he had satisfied the conditions for removal of license restrictions imposed by a Consent Order Establishing Limitation on License filed September 15, 1999. The Order limited Dr. Behrend's license pending resolution of criminal charges filed against him and until further order of the Board.

On October 1, 2001, Dr. Behrend entered into a Pre-Trial Intervention Program ("PTI") following an indictment on one (1) count of sexual assault upon patient D.N. in violation of N.J.S.A. 2C:14-2c and one (1) count of criminal sexual contact with patient D.N. in violation of N.J.S.A. 2C:14-36. The PTI mandated fifty (50) hours of community service, payment of fines and fees and a psychological evaluation.

Upon consideration of the information provided, the Board is satisfied that Dr. Behrend has demonstrated that he has complied with the requirements imposed by the Consent Order of September 15, 1999. Thus, the Board finds that the prior Consent Order of Limitation of License is no longer required and that the restoration of an unrestricted license is adequately protective of the public health, safety and welfare.

THEREFORE,

IT IS on this 5<sup>th</sup> day of March, 2003 ordered that:

1. The Consent Order Establishing Limitation on License dated September 15, 1999 is hereby terminated and the license of Jeffrey Behrend, D.C. is hereby restored to unrestricted status.
